## Hazardous Materials Awareness and/or Operations Certification Examinations

**{Written Test Only}** 

#### <u>Purpose</u>

To allow firefighters who meet the necessary prerequisites to challenge a nationally recognized examination for the purpose of being certified under the National Board on Fire Service Professional Qualifications.

#### **Audience**

Any fire department/company member who meets the general prerequisites as specified.

#### **Content**

The written examination for Hazardous Materials and Operations certification consists of multiple-choice questions. Test questions and required skill evolutions, are based on the NFPA 1072. It is suggested that the applicants use the **IFSTA Essentials of Fire Fighting and Fire Department Operations**, 6<sup>th</sup> Edition as a study guide for the written tests and practical evaluations.

#### **Practical Application (assignments)**

Candidates <u>MUST</u> have completed *DSFS Basic Firefighting Skills*, *DSFS Hazardous Materials Awareness class* or a <u>pre-approved</u> Hazardous Materials Awareness Course for Hazardous Materials Awareness testing. No Skills are necessary. Candidates shall have completed *DSFS Hazardous Materials Response Skills* or an equivalent, <u>pre-approved</u> Out-of-State Hazardous Materials Operations Level Course for Hazardous Materials Operations testing. Only one day is necessary to complete the testing requirements. Applicants will need to make special arrangements confirm the Out-of-State Hazardous Materials course and associated skills are approved <u>before</u> the written examination. Applicants will be notified of their acceptance and which day they need to attend to complete the testing.

#### **NOTICE**

If meeting <u>all</u> pre-requisites for both Awareness and Operations testing, a combined certification test for both levels is available. Please note the pre-requisites in order to be eligible upon applying. Applicants will be notified of their acceptance and which day they need to attend to complete the testing.
